PAYING THE FARE

Metrorail

On weekdays from opening until 9:30 p.m., fares are based on length of trip. From 9:30 p.m. until closing on weekdays and all day on Saturday and Sunday, the fare is a flat \$2. Children under 5 ride free.

Metrobus

Fares are posted on the farebox. Unless you use a SmarTrip® card or token, you must have exact change to pay your fare. Metrobus operators do not carry cash and cannot make change.

FINDING A METRO STATION

Tall brown columns with a large M identify the station entrance. Color stripes on the column show the lines that serve the station.

PARKING AT A METRO STATION

Parking rates vary for Metrorail customers and non-Metrorail customers. To receive the lowest parking rate available, pay for parking with the same SmarTrip card used for Metrorail within two hours.

METRORAIL ACCESSIBILITY

Elevators and escalators connect station entrance levels with train platforms. If an elevator is out of service, shuttle bus service is available on request.

To find out which elevators are out of service, visit wmata.com, call 202-962-1212, check the monitor at the Station Manager kiosk or the electronic signs located along the station platforms.

LOST AND FOUND

If you lose an item on a bus or train or in a station, please call Lost & Found at 202-962-1195 or visit our website.

SAFETY AND SECURITY

If you see something, text the Metro Transit Police Department at 696873. In an emergency, call 911 or 202-962-2121.

BIKES AND METRO

Most Metro stations have bike racks and some have lockers available for rent, so you can ride your bicycle to a station, safely leave it there and take Metrorail or Metrobus.

On Metrorail

Bikes are allowed on Metrorail at all times. However, for everyone's safety, you are prohibited from taking your bike on crowded trains. Metro also reserves the right to disallow bicycles during special events or other days where crowding is anticipated.

On Metrobus

Every Metrobus has a rack that can hold two bikes. You are responsible for loading, securing and removing your bike from the rack. Make sure the bus has stopped and the driver sees you before you step in front of the bus to load your bike.
