

SPONSORSHIP PACKAGES

Montgomery County, Maryland, is home to a robust hospitality and tourism sector, serving as a major workforce hub and think tank for this industry. Global leaders such as Marriott International, Ritz Carlton, Choice Hotels International, and Sodexo all have their headquarters in the county. Montgomery County has over 900 restaurants, 30,000 small businesses, and over one million residents of culturally diverse backgrounds.

Visit Montgomery through this new initiative; MoCo Eats Food & Beverage Showcase will provide an opportunity for business and consumer connections. The event will bring the food & beverage industry and its suppliers together to learn more about new products, and participate in panel discussions and other educational breakout sessions. The conference agenda will include **breakout sessions** on topics relating to the needs of the industry, **student-to-business open forums**, and exchanges and **opportunities for peer-to-peer discussions**. Attendees will be invited to enjoy **food and beverage tastings**, learn more about **local and regional products**, and **purchase items**.

Proceeds from the event will benefit the **Foundation for Hospitality and Restaurant Management (FHRM)** by providing scholarship support to MCPS Students interested in a career in hospitality. The Foundation promotes hospitality, hotels, restaurant, tourism, and entrepreneurship management education. The FHRM also works to ensure that relationships between career readiness educators, business/industry partners, and the community focus on student experiences.
